Spring Term 2025

Message from Amanda Appleby Payne – Head Teacher

Dear Parents, Grandparents and Carers,

Hello to you all! Wishing you all a very Happy Easter/Spring Break.

I cannot believe that the Spring Term has already come to an end. We have been very busy this term preparing for our new primary build which begins on Monday 14th April. We have had lots of preparation meetings and we are good to go! The preparation work includes making the building site secure, when the children return there will be hoarding across the primary playground and onto the field so that there is no access to the building site. This will reduce some of our playground space and there will be some disruption, noise etc., but we will work with the contractors to manage this day by day. Site safety and security is everyone's priority but please be reassured that this has been addressed and will be checked daily. I will keep you updated and send out photos as the project develops.

FUND RAISING

Thank you very much for supporting our Green Day, we have an abundance of seedling growing in the classrooms some of which will be used and planted to develop the front garden area of the school. We are taking part in Halesowen in Bloom this year and I am very excited to see how that develops. Watch this space!

Our Chocolate Day was a huge success, thank you to Mrs Jackson for creating the wonderful hampers. We raised £400 towards our minibus appeal.

We are donating 2 Hampers to local Care Homes – photos to follow. They were delivered by pupils from Pathway 3 & 4 today.

We have set up our Go Fund page and have had an amazing response already with several businesses contributing which is very generous. If you have connections with businesses please spread the word, we have Thank you cards ready to send out to show our appreciation.

HEAD TEACHER AWARDS

We have set up a board in the hall where on a weekly basis class staff can nominate any pupil for a Head Teacher Award. This is for anything that they are worked hard on.

The following pupils have received a certificate and had their work displayed this half term: -

Harry – P4

Bailey – P3

Oli – P3

Chris – Post 16

Affan – P4

Freya – Hedgehog

Elliot – Meerkat

Topaz Class– for Green Day activities

Lucas – P1

Kade – Jaguar

Laszlo – Sapphire

Aeryn – Ruby

Harry – Badger Class

Ethan – Badger Class

Well done to you all!
