October Half Term – Monday 28th October to Friday 1st November

A big welcome to our new families in our EYFS class and Post 16, I am looking forward to getting to know you all over the coming months.

We are working hard on improving our communication links, please let me know if there are any other things that need improving.

Thank you to all of our families who have helped me improve the school drop off and collection by car, this has greatly improved this week, which I hope you feel has had a positive impact.

I am available to contact via email or dojo

Please note that we do not allow fizzy drinks in school, only squash or flavoured water, tap water and promote a healthy balanced diet. Please where-ever possible send in healthy snacks for your child's morning break or lunch.
