

2022-2023 Parent/Carer Engagement Strategy

Throughout the year, we will be communicating with parent/carers, and sharing information relating to our Careers provision, using a variety of methods:

<p>Transition Fair</p>	<p>During the Autumn term, we shall be inviting Post-16 and Post-19 providers into school so that parents/carers and pupils can meet providers, ask any questions they may have and increase understanding of the options available to them.</p>
<p>EHCP Reviews</p>	<p>As part of EHCP reviews in Key Stage 4 and 5, student voice will be gathered during guidance sessions and a career advisor will be available to support with identification of potential destinations.</p>
<p>Halesbury Website</p>	<p>Dedicated 'Careers' section of Halesbury website where useful information and resources are shared regularly.</p>
<p>Parent Hub</p>	<p>Important messages, reminders and updates will be sent home using Parent Hub.</p>
<p>Careers Newsletter</p>	<p>Sent out on a termly basis, our Careers newsletter will be used to share images and reviews of work-based learning activities that have taken place in school and useful information and resources will be shared regularly.</p>
<p>Parent's Evening</p>	<p>Career advisor will be available to support with identification of potential destinations and discuss any issues or concerns during Parent's Evening.</p>
