Rebecca Hill**

**We work Monday to Friday
8am until 4pm**

01384 456111 (extension 4205)

dgft.learning.disabilityteam@nhs.net

How we can help you:

In the Emergency Department

Ask for the Learning Disability Liaison Team when you arrive at the emergency department.

If you, a family member or carer can call us before you leave we may be able to make some reasonable adjustments to help you before you arrive.

If you need any treatment or you need to stay in hospital, we can help you understand what will be happening.

For Out patient services

**You can talk to us before the appointment.
We can talk with your family/carers if you would like us to.**

We will make a plan to make it easier for you to come in.

We will tell the staff that will be seeing you about the plan.

We can arrange a visit to the hospital if you would like one to look at the hospital and meet the staff.

We will make sure you have a Hospital Passport.

If you need to have any treatment, we can help you understand.

We can be there to support you during appointments and any treatment if you want us to.

During a stay in hospital

We can come to visit you on the ward.

We will make sure reasonable adjustments are used to help you during your stay.

We will talk to people who know you if you would like us to. They may be able to help to make things easier for you during your stay.

We will help make sure you are making your own choices about your care.

If you are unable to make a choice about something, the choice will be made in your best interests.

Help with Going home

We will find out if your support needs have changed.

We can talk to people who help to look after you.

We can also talk to a social worker if you would like us to.

Dudley Voices for Choice are licensed to use Photosymbols.
