Secondary Pathways Uniform

Dear Parents/Carers,

We have had a number of enquiries regarding the uniform in our Secondary Pathway classes.

We would like to give yourselves and your young person the choice of whether to wear our Secondary uniform of blazers, white shirts and ties. We feel that this is a personal choice and would support your decision either way.

We are very aware that some of our young people have significant sensory issues and may need alternative clothing to comfortably attend school.

We have attached the secondary uniform list for your information.

If you have any concerns please contact me to discuss further.

Yours sincerely,

Amanda Appleby Payne
Deputy Head Teacher
