

## 3-year long-term pupil premium strategy template

This template is based on the long-term approach to pupil premium planning recommended by the DfE and the Education Endowment Foundation (EEF). It can be used instead of, or alongside, a one-year strategy.

### Our philosophy

We believe in maximising the use of the pupil premium grant (PPG) by utilising a long-term strategy aligned to the SDP. This enables us to implement a blend of short, medium and long-term interventions, and align pupil premium use with wider school improvements and improving readiness to learn.

Overcoming barriers to learning is at the heart of our PPG use. We understand that needs and costs will differ depending on the barriers to learning being addressed. As such, we do not automatically allocate personal budgets per pupil in receipt of the PPG. Instead, we identify the barrier to be addressed and the interventions required, whether in small groups, large groups, the whole school or as individuals, and allocate a budget accordingly.

### Our priorities

Setting priorities is key to maximising the use of the PPG. Our priorities are as follows:

- Ensuring an 'outstanding' teacher is in most classes
- Closing the attainment gap between disadvantaged pupils and their peers
- Providing targeted academic support for pupils who are not making the expected progress
- Addressing non-academic barriers to attainment such as attendance and behaviour
- Ensuring that the PPG reaches the pupils who need it most

## Barriers to future attainment

Academic barriers to attainment	Non-academic barriers to attainment
Low levels of literacy	Poor attendance
Poor language and communication skills	Poor behaviour
'Outstanding' teaching not present in every classroom	Lack of parental engagement
Lack of targeted support	Arriving at school hungry and not ready to learn
Lack of school readiness	Lack of focus and confidence due to poor mental health and wellbeing

## **Our implementation process**

We believe in selecting a small number of priorities and giving them the best chance of success. We also believe in evidence-based interventions and learning from our experiences, which is why we utilise annual light-touch reviews to ensure our approach is effective and we can cease or amend interventions that are not having the intended impact.

We will:

### **Explore**

- Identify a key priority that we can address
- Systematically explore appropriate programmes and practices
- Examine the fit and feasibility with the school

### **Prepare**

- Develop a clear, logical and well-specified plan
- Assess the readiness of the school to deliver the plan
- Make practical preparations

### **Deliver**

- Support staff and solve any problems using a flexible leadership approach
- Reinforce initial training with follow-on support
- Drive faithful adoption and intelligent adaption

### **Sustain**

- Plan for sustaining and scaling the intervention from the outset
- Continually acknowledge, support and reward good implementation practices
- Treat scale-up as a new implementation process

## **Our tiered approach**

To prioritise spending, we have adopted a tiered approach to define our priorities and ensure balance. Our tiered approach comprises three categories:

1. Teaching
2. Targeted academic support
3. Wider strategies

Within each category, we have chosen three interventions. This focussed approach ensures the best chance of success for each intervention.

### **Quality of teaching**

1. Encouraging self-led professional development: Introducing a half-hour weekly CPD slot for teaching staff
2. Professional development: Weekly individual coaching sessions to support teachers, with a particular emphasis on literacy and vocabulary
3. Support for early career teachers: A termly one-day teaching development programme delivered by external experts

### **Targeted academic support**

1. Structured interventions: Introducing vocabulary interventions for pupils with poor oral language and communication skills
2. Small group tuition: Introducing targeted English and maths teaching for pupils who are below age-related expectations
3. One-to-one support for disadvantaged pupils: Creating additional teaching and learning opportunities using TAs

### **Wider strategies**

1. Parental engagement: Providing support from Family Outreach to help them with pupils who have difficulties coming in to school
2. Readiness to learn: Breakfast In class in the morning to provide pupils with a nutritious breakfast before school
3. Attendance: Providing support from Family Outreach to help them with pupils who have difficulties coming in to school
4. Full planning details for interventions are outlined in the '[Intervention planning in full](#)' section.

## **Our review process**

Annually reviewing a one-year pupil premium plan and creating a new plan each year is time-costly and ineffective. This three-year approach allows us to dedicate more time up-front and introduce light-touch reviews annually.

During a light-touch review, we will review the success of each intervention, based on evidence, and determine the most effective approach moving forwards – adapting, expanding or ceasing the intervention as required.

Individual targets are set for each pupil in receipt of the PPG and their progress towards achieving these targets is analysed at the end of interventions.

The progress of pupils in receipt of the PPG is regularly discussed with class teachers and Middle Leaders

Once the three-year term has been completed, a new three-year strategy will be created in light of the lessons learned during the execution of the previous strategy, and with regard to any new guidance and evidence of best practice that becomes available. The Head Teacher is responsible for ensuring a pupil premium strategy is always in effect.

## **Accountability**

Ofsted inspections will report on the attainment and progress of disadvantaged pupils in receipt of the PPG.

The school is held to account for the spending of the PPG through the focus in Ofsted inspections on the progress and attainment of the wider pupil premium eligible cohort; however, they will not look for evidence of the grant's impact on individual pupils, or on precise interventions.

The school publishes its strategy for using the pupil premium on the school website.

The school publishes a link to the [school and college performance tables](#) and the schools' performance tables page on the school website.

## Our funding

Funding summary: Year 1					
Total number of pupils	135	PPG received per pupil		Indicative PPG as advised in School Budget Statement	£64225
		Number of pupils eligible for PPG	55	Actual PPG budget	£64225
Funding estimate: Year 2					
Estimated pupil numbers	2019 -143 2020 - 148				
Estimated number of pupils eligible for PPG	55				
Estimated funding	£64225				
Funding estimate: Year 3					
Estimated pupil numbers	151				
Estimated number of pupils eligible for PPG	58				
Estimated funding	£69575				

## Intervention planning in full

<b>Intervention:</b>	Encouraging self-led professional development: Introducing an hour weekly CPD slot for teaching staff		
<b>Category:</b>	Quality of teaching.		
<b>Intended outcomes:</b>	Improve the quality of teaching and have an 'outstanding' teacher in majority classrooms by the end of year 3	<b>Success criteria:</b>	Majority of teachers have been judged 'outstanding' by internal assessment. Differentiation is fit for purpose and benefits PP pupils and raises standards
<b>Staff lead:</b>	Curriculum leaders – assistant Head, Middle Leaders		
<b>Implementation</b>	<b>Year 1</b>	<b>Year 2</b>	<b>Year 3</b>
	<p><b>How we will implement this intervention in year 1:</b></p> <p>We will allow all teaching staff a weekly hour CPD slot for led professional development. Priorities for learning will be established in liaison with their line manager and take into consideration any appraisal or monitoring feedback. Cover will be provided through a teacher in the classroom. Teachers will go into other classrooms to observe teaching in different Key Stages. As a result of the changing needs of the children coming into Key</p>	<p><b>How we will implement this intervention in year 2 (in light of the year 1 annual light-touch review):</b></p> <p>The same principal will follow from Year 1. However from observing the pupil's staff will move on to team teaching the pupils with the current teacher for an hour in their time slots. Subjects taught to the pupils will be varied so that a broad experience will be achieved, including reading, phonics, writing, Maths and Science. Staff</p>	<p><b>How we will implement this intervention in year 3 (in light of the year 2 light-touch annual review):</b></p> <p>In Year 3 staff will have the opportunity in advance of the subject matter to be delivered, plan then teach the lesson.</p> <p>This will give experience in appropriate planning and delivery to the pupils needs. It will also facilitate in moving differentiation constantly forward.</p>

	<p>Stage 1 and 2 and the authority drive to not consult on B's and C's in Special Schools and consult on more complex pupils there will be a need for a change in teaching and learning. At this current moment 67% of the pupils are ASD. Key Stage 3 and 4 staff will spend an hour a week in lower year's classes to prepare for and adapt to Halesbury's future cohort. Lower Years staff will also experience upper years.</p> <p>Their experiences will also formulate the change of the curriculum and adapt it to the changing needs of the pupils coming into Key Stage 3 and 4.</p> <p>The main purpose, how do we progress writing with the continuing rise of ASD pupils with complex communication difficulties?</p> <p>What will we want a Halesbury pupils to look like when they leave for College?</p>	<p>will also experience outside of the core areas as well.</p>	<p>The experience will also give the opportunity to always know the needs of the new cohorts of pupils. Whilst lower years teachers will see the pupils destinations and progress from when they taught them and how they have changed as they have grown older</p>

<b>Intervention:</b>	<b>One-to-one support: Creating additional teaching and learning opportunities using TAs</b>		
<b>Category:</b>	<b>Targeted academic support</b>		
<b>Intended outcomes:</b>	Targeted pupils to receive catch up lessons to improve progress	<b>Success criteria:</b>	There will be a noticeable difference in pupil's work and there P Level progress at Pupil Progress meetings.
<b>Staff lead:</b>	Mary Tough		
<b>Implementation</b>	Year 1	Year 2	Year 3
	<p>How we will implement this intervention in year 1:</p> <p>A teacher will be employed for two days a week to target pupils in their work in Maths and English. The teacher will work in a combination of ways. Firstly one to one targeted support to focus on aspects of English and Maths. The teacher will also work with the pupils in class.</p> <p>Catch up teacher will attend a pupil progress meeting with the Assistant Head.</p> <p>The Teacher presents a report to the Governing Body at every full governors.</p>	<p>How we will implement this intervention in year 2 (in light of the year 1 annual light-touch review):</p> <p>Employ a Teaching Assistant (2 days/week) to release 3 staff members who have been trained in Catch Up. The staff members will be co-ordinated and managed by the catch up teacher. The staff will be timetabled to target pupils in need of intervention identified from pupil progress meetings.</p> <p>The Staff will meet with the teacher in charge of Catch up to report on pupils, discuss progress and look to future timetabling.</p>	<p>How we will implement this intervention in year 3 (in light of the year 2 light-touch annual review):</p> <p>The previous years will be consolidated and the process will continue running in year 3. All of the staff members involved targeting pupil in need of help in Maths and English.</p>

<b>Light-touch review notes</b>	Annual review notes: A report is submitted to every Governor meeting on the progress of the pupils. Report is incorporated into the Head Teacher report.  However a significant period of time was ceased due to the COVID pandemic.		Annual review notes: A report is submitted to every Governor meeting on the progress of the pupils.
